General Report Comments: The applicants live in a security complex that is walled off with precast walls of 2m height. The security complex main gate is a solid metal gate. The unit has a small courtyard behind the house walled with 1.8m precast walls. The cat Leonardo belongs to Mrs Pienaar but went missing a couple weeks prior by escaping from an open window. Since then the windows have been cat proofed with mesh. The security gates by the front and back doors are also reinforced with mesh. The cats are indoor cats. All beds, toys and accessories are throughout the house.
