ADMISSION No 13505

ADOPTION CONTRACT

This animal has been given to you in the firm and confident belief that it will receive a good home with responsible and loving care. Ownership of an animal yields much pleasure and satisfaction. It also has its obligations and responsibilities. The fact that the animal has been in our care usually indicates that someone has, in the past, failed to recognise these responsibilities.

I do hereby confirm and undertake that:

- (1) I am over eighteen (18) years of age.
- (2) I will not part with possession of the animal except to return it to the SPCA if for any reason I am unable to keep it. In the event that I fail to do so, I agree that I will be liable to pay to the SPCA all costs which they may incur in obtaining confirmation that the animal has been home to a suitable person, with suitable premises. In the event that this is not the case, I also agree that I will be liable for all costs which the SPCA may incur, including all legal costs on an attorney and client scale, in recovering possession of the animal.
- (3) I will give the animal a fair chance to adjust to its new home.
- (4) I understand donations are not refundable or transferable.
- (5) I will feed and house the animal to the Society's satisfaction.
- (6) I will not chain or cage the animal, and understand that if it is found chained or caged it will be removed from my care immediately.
- (7) I can afford the services of a private veterinary practitioner.
- (8) I will ensure that vaccinations are kept up to date and in the case of injury or illness, professional veterinary treatment will be provided.
- (9) The pet I am adopting has received an initial vaccination and has been de-wormed by the Brakpan SPCA. I am satisfied with the current health status of the animal I am adopting. I understand that should the animal fall ill after being adopted, I will not hold the SPCA liable for any vet bills that may be incurred. If problems arise with the sterilisation wound of the animal, I may bring the animal to the Society to be attended to by its veterinarian at no charge to myself.
- (10) I will ensure that the animal is sterilised as stipulated by the Society.
- (11) I will identify my dog with a collar and identification tag - only stainless steel collars must be used on dogs.
- (12) My property is adequately enclosed and at no time shall I knowingly allow my dog to roam the streets.
- (13) I will notify the Society within forty-eight (48) hours should the animal die or go missing.
- (14) I know and understand the "By-Laws Pertaining to Dogs" of the Municipality in which I reside.
- (15) I will permit an authorised officer of the Society to visit my premises from time to time to be assured that the animal is being treated in accordance with this contract, and I will allow the Society to repossess the animal if in the Society's opinion, the terms of this contract are not being reasonably adhered to.
- (16) I will not use or allow the animal to be used as a watchdog on any industrial or commercial premises.
- (17) I will notify the Society of any change of address or telephone number in writing by registered post within seven (7) days.
- (18) I undertake to take all reasonable steps to maintain the animal in a good and healthy state and to ensure the animal has adequate food and water at all times. Should the animal be found at any time in a condition which the Society, or its representative, is of the view is not healthy, then the Society may forthwith repossess the animal.
- (19) I undertake to refrain from surgically altering any part of the animal's body other than for medical reasons. I understand that cropping ears and docking tails for cosmetic reasons is against the Law.
- (20) I agree that if I breach any of the above terms, the SPCA will have the right to enter upon my property and take repossession of the animal. I will then forfeit all rights and claims to the animal, and will have no right of action or recovery against the SPCA for any reason whatsoever.
