CHECKLISTS

General Report Comments: Hugh and I, Elani arrived at the property and called Reni to ask whether she is home. We decided to record the conversation. She was immediately on the defense and attack and started accusing me of how I am doing my job. She beleives somebody complaint. She also mentioned that she sent her friend, Mrs Armstrong to the Wellington SPCA to speak to me. She refused us entry and said she is hoing to het her lawyers involved as I fo not have a right to inspect her animals. I tried calming her down and explaining everything to her but it didnt work.
I then asked again whether she will let us fo a follow up and she said no. We then said okay and left while she was still screaming stuff at us.

To obtain a court order to obtain entry to her premises. Due to a short week, I think its best to get it on Monday/ next week
