General Report Comments: I,Hugh arrived at the property and spoke to one of the tenants.I then introduced myself and explained to them that I had got their dog at our kennels.He then replied that he knows and he does not want her back.I then asked to see her puppies and could see that they look in okay condition.

I also saw that they have shelter and fresh water.I could also see that they could eat and walk on their own.I then mentioned sterilization to him and educated him on not giving the dogs to anyone as they do not care for the animals.
