Comments:	The owner named Kobus called and claimed that his cat has not been home for two months already. He believes the cat is being fed or cared for by somebody else in the road. He stays at number 10 Rossiter not number 8. I advised him that if he sees the cat again or it is in the house to keep it in there and let us know about sterilization and get the cat used to it's surroundings. In the end he agreed that we can trap the cat as his neighbour has seen the cat in his yard recently. To go to neighbour tomorrow
