Comments:	Hugh and I have entered back and spoke to Netta the Nurse. They explained that the cat was sleeping in an enjin of a car later the morning. After that the cat ran into the garden of the facility. We discussed bringing a trap back for the cat and they agreed as the nurse would like to adopt the cat later.
Captured By:	To set trap later. INSPECTOR ONE 2024-07-11 12:40
