| Follow-Up Date: |                                                                                                                                                                                                                                                                                                                        |
| Comments:       | <p>No cat was trapped over night. Hope claimed that the one that ee caught was the only one in that bad state. The rest of the cats are in good condition and might be owned.</p> <p>We decided to take the trap and told her she must let us know when there are others that look sick so that we can trap again.</p> |
