Date:	2024-10-08
Time:	16:00
Inspector:	INSPECTOR ONE

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2024-10-08
Comments:	I,Hugh arrived at the property and was greeted by the residents.They then gave me access to the property. As I was walking towards the cats I noticed the mom immediately going on the defense.I then tried to touch her and she started becoming ferrel.I then tried to grab her and she then fled. I then suggested that we leave the cats there with some water and check tomorrow whether we need to set a cat trap. To check up tomorrow.
