Comments:	Called Schalk and asked whether the farrier has been out and he said that he has. I asked him whether we can have a look at the ponies feet but he refuses to let us on the property without him. He said he will send the receipt and video to me for the ponies and is only available next week after Tuesday to meet. He keeps postponing and not setting dates to meet. If he doesn't send the necessary proof by today we will need to get a court order.
