Good Day Annemie

I have done a follow-up inspection on my last warning sent to you and have not heard from you since. I observed that shelter has not been built for any of the horses at Andamar Studs yet .

Would you please set up a time to meet with me at Wellington SPCA to discuss the way forward ? Unfortunately, we cannot dial international numbers from our lines; can you perhaps provide us with a local number to discuss the concerns? Or if you can set up a time to meet, like you mentioned previously, that would be appreciated?

I assume you are back from overseas and able to meet.

AWAITING RESPONSE FROM ANNEMIE

Look forward to hearing from you.
