| Comments:       | <p>Elani and I,Hugh arrived at the property.The lady working for them was waiting outside for us and we then greeted her and introduced ourselves.</p> <p>She then told us that we could have a look around and we then walked around. We then noticed that they had already bought bowls for Lady loch as they do not have any other animals.</p> <p>We could see bedding aswell and we asked the worker whether the owners have days off or what time they come home.She then mentioned that the owners work basically until around 5. We then found this worrying and we then left.</p> <p>Upon leaving the property we then called the owner and asked her whether they would have time for a puppy and she mentioned that she could even take the puppy to work with her. We were then pleased.</p> <p>Home check passed.</p> <p>To follow up in a year.</p> |
