Comments:	Elani and I,Hugh arrived at the property to do the homecheck for Kobi. Upon arriving at the property it seemed no one was home. We then went and called from the outside and one of the tenants then came to the windows. He then came outside and we greeted him and introduced ourselves.He then showed us around and as we went through the house we could see the dog food they bought for kobi. We then walked to the backyard and we saw that it's a huge yard and we were pleased. Home check passed. To follow up in a year.
