Comments:	We arrived at Jonathans house and spoke to his mother . She has another dog named Roofie and Witpoot is bonded with Jonathan. We eplained that we have a sponsor yo sterilize and microchip Witpoot and she was very happy to accept the offer. We told her to keep Witpoot at home on the 20th of August so he can be sterilized the 21st of August. To find tell Liz about the other dog. To pick up Witpoot for sterilization.
