General Report Comments: Elani and I,Hugh arrived at the property and we noticed that none of our demands were met.

We called Hendrina and we were informed she was at work.

The dog was moved but not on a runner as we asked in the previous warning. There was also no shelter given to the animal. The area where she was kept was cleaner but could still use some cleaning.

We also provided sykie with bravecto.

We then called Hendrina's mother and we were informed that she was unable to walk but then asked a tenant to give the warning to her mother and asked her to give it to Hendrina, which she agreed to.

Warning 023 was issued to:

- 1.Ensure that Candice always have access to water(place bucket in tyre/crate)
- 2.Provide adequate shelter for Candice as discussed previously within 6days.
- 3.Ensure to place Candice on a running chain as discussed previously within 6days.
