General Report Comments: Elani and I,Hugh arrived at the property and we were greeted by Shantell Joseph.At first Suzy did not want to come outside due to the weather but as soon as her owner came outside we could see her come outside seemingly happy.

She then mentioned that she had used gas stove piping around her neck for comfort. We then gave her a new collar while she is busy monitoring the collar/Chain that she had been using.

Overall we were pleased.
