General Report Comments: Hugh and I, Elani, arrived at the property and found that Tysons running chain was broken and he was back on his static chain. The yard hasn't been cleaned from hazardous material and we could not see whether he had water.

We helped the owner previously with building and fixing the running chain and he claimed that he doesn't have time and works night shift. This is after he told us numerous times that he can do it over weekends.

I did not issue a warning and need a court order to be obtained.

To type court order tomorrow.
