General Report Comments: Hugh and I, Elani obtained the court order from Magistrate Saptoe. We then asked assistance from Wellington SAPS and was helped by Sargent Davids and Constable Williams.

We drove to the property and the daughter named Ashlin Swanepoel was outside with her child . I asked her whether her father was home and she said no he is at work. I then gave the court order to her as she is of age and told her we are exciting a court order and seizing their dog, Tyson. She called her brother to load the dog into our vehicle which he did. As he did this, I went to where Tyson was kept. He was kept on a 88cm static chain tied to the tap and the running chain was broken. Tyson was stuck to a wooden frame and could barely move . His water was knocked over. I also confiscated the chain Tyson was kept on.

I then gave Ashlin the Seizure Notice which she signed and a copy of Regulation 468.

We went to Wellington SAPS to obtain OB#529/07/2024.

To see whether the owner claims Tyson within 7 days, to proceed with prosecution.
