CHECKLISTS

General Report Comments: Hugh and I, Elani arrived at the property and was met by a woman called Katie Johannes and her friend.

We explained to them about Mia coming to us yesterday in a terrible condition . She claimed she doesn't have a dog belonging to her named Mia. It turned out that other family members including Florina uses this address for everything. Florina is married into the family and stays at Jakkalsvlei Farm.

I issued a warning that Katie will give to Florina to:

1) Mia, your Boerboel dog, was brought in to the SPCA in horrendous condition . In future, ensure to provide your animals with veterinary treatment when they need it or call us for assistance.
Prolonging the suffering of an animal is a Contraventions of the Animals Protection Act 71 of 1962 and you can be held liable for prosecution in cases like this.

Case to be closed for now.
