General Report Comments: Hugh and I, Elani arrived at the property and met with the owner Riana. She stays in the furthest to the right side of the houses against Skitter coffee.

We explained the situation to her. Marmite barked at us quite a while whilst doing the inspection but eventually he was quiet. The dogs have access to the house when Riana is home. The cats were inside on the sofa and beds by the fireplace on arrival.

When Riana goes to work she leaves the dogs outside. There is a back room where she placed their water bowls and beds. This is their shelter during the day.

She closed the side gate with a board to obstruct the view for the dogs to the road. She explained that they bark at strange noises especially the garbage truck and when people chat outside by the coffee shop.

She moved in to this space in June 2024 so the dogs are definitely still getting used to the new environment.

No Contraventions of the Animals Protection Act 71 of 1962 were observed. This is a Law Enforcement matter.

Case can be closed.
