General Report Comments: Hugh and I, Elani arrived at the property and met with Marle.

We asked Marle about the proceedings with the shelter and she went to show us some of the shadecloth and poles they have already bought to build it. They have electrified all the camps and plan on selling about 9 horses. They have about 32 at the moment. She also confirmed that Annemie will be coming back from Ireland within 2 weeks and hopefully then will help to finish everything. Apparently Ireland has implemented a visas for South Africans to travel with now and that has delayed Annemie from returning.
