General Report Comments: Hugh and I, Elani arrived at the Stud Farm. All the gates were open today. We drove up until the stud. We noticed that horses were moved and the white horse at the entrance of the stud was not there anymore.

Nobody was present at the time we arrived. We did a general look over at all the paddocks and saw that nothing has been done with regards to the horses shelter.

As per emails, Annemie is supposed to be in South Africa now to tell us what their plans are .

To call Annemie and discussatter with Liz tomorrow
