General Report Comments: Hugh and I, Elani arrived at the property and called out when Mr Duvenhage came out to assist us. He took us to where the chickens are kept. They cleaned the chicken coop thoroughly, only new faeces were seen. They also put new dry hay inside the coop for the chickens and cleaned their water bowls from algae.

He then showed us where they will move the chickens to, and agreed that we can come within 3 weeks to see how fare their new coop is.

To follow up within 3 weeks.
