CHECKLISTS

General Report Comments: Hugh and I, Elani arrived at the property and introduced ourselves to Mr Davids. Elani tried explaining the reason why we are there and that we need to ensure that the dog gets treatment after they refused to sign it over to us due to dental issues. Mr Davids got hostile and mentioned that we want to murder the dog. He then said we must get off the property. We moved to the public road and Elani continued to issue a warning to Mr Davids. Whilst doing this he came to speak to us again but did not want to listen. He then took his car and drove away.

His wife Mrs Nuraan came out and spoke peacefully to us. She explained that they have been to WAHG regarding this issue and they charge R6000 for the operation. She showed us the invoice of their visit on 28 May 2024 at WAHG. We then explained to her to which other veterinarians she can go to that might be cheaper. She said she is planning to go to either Animal Rescue Centre (ARC) or Paarl Veterinary Clinic to get a cheaper price for removing the teeth. We did still give the option of surrender to them.

Case to be closed.
