CHECKLISTS

General Report Comments: I,Hugh Lewis arrived at the property and saw Theodora Maso at her residence .I then greeted her and I introduced myself.I then asked her whether she has had any animals in the last 3 years and she said no.I then asked her to show me where she will sleep and she showed me the inside of the house.I also mentioned that she would have to keep her in the house as they are still busy tidying up the environment as they have only moved in recently.

Overall she seemed very welcoming and friendly.Maggie will love the environment she will be in as Theodora has children who would be able to play with her as much as she needs to.

Homecheck approved.
