General Report Comments: I,Hugh arrived at the property and was greeted by one of the tenants.I then explained to him that I spoke to one of the tenants previously and mentioned to her that I would be back to check on Leilas weight.

He then mentioned that he remembers and that i spoke to him.He then allowed me access and I saw Leila looking very much better.He then told me that the puppies are not drinking anymore and thus she is gaining weight.

I then saw that the puppies were a little underweight and I asked if the owner had dewormed them before.The tenant then mentioned that he does not have that information.I then dewormed the 4 puppies and mentioned that if the owner has any problems he could contact us.
