CHECKLISTS

General Report Comments: I,Hugh arrived at the property and was greeted by one of the tenants.I then introduced myself and told him that I was there in order to do the homecheck for Tyson .

He then mentioned that we had done an inspection before and I told him that the inspections are usually just valid for 3months.He then understood and took me through the house to the back yard.He then showed me a room which is always open in order for the dog to sleep in there.I was pleased with that.

I also saw the backyard was separated from the front and it's a fairly large yard.They also mentioned that they actually wanted to adopt Bella and would possibly like to have both Bella and Tyson .

The homecheck was then approved.
