General Report Comments: Elani and i,Hugh arrived at the farm and we went to Charlene Arnolds house .We were pleased to see that their puppy was running inside the house and was loose.The dog also had bobtail puppy food and fresh water.We also gave them ideas on how to improve the living environment of the dog.We then told them that we will be coming again soon in order to check on the puppy .

We then went to Eldoraine Alexander's home to check up on the food for Leila.We then knocked on the door and she opened the door seemingly annoyed.She then didn't give us chance to speak and said we should take the dog because we will not come around there every week. We then took the dog and asked her to sign which she refused to do. We then took the dog with us and booked her in as a stray.The owner has 7 days to claim Leila.

To check on Charlene Arnold's dog in 2 weeks.
