General Report Comments: Elani and I,Hugh arrived at the property and a worker on the farm greeted us. We then introduced ourselves.We then asked whether the owner was home and he said they weren't.We then explained that we are there to do a homecheck.

We then asked him whether he knows the dogs and he had no problem assisting us .He was then asked about the welfare of the dogs and he mentioned that the dogs basically live in luxury and they come outside to explore the farm now and again.

Overall the dogs were in good condition and they have enough space to exert there energy.

Will be a great home for Roxy.Home check approved.
