CHECKLISTS

General Report Comments: Hugh and I elani arrived at the property and found that it is a communal residence. We spoke to the manager of the building. He showed us where Melina stays in a loft with a small yard. The manager told us that Melina is a teacher at La Rochelle High School and she has a kelpie that she walks with everyday. We saw a doggy door to the loft but could not estimate how big the loft might be .

I tried calling her several times throughout the day but she seems busy. I want to confirm a few things with her first. I also messaged her. To follow up again tomorrow.
