CHECKLISTS

General Report Comments: Hugan and I, Elani arrived at the property and found other teenager tenants to help us find the exact property as there are quite a few tenements on this property.

The teenage girl showed us that the people stay upstairs and has a very small enclosed balcony. They were not home. This would be acceptable for a small breed dog or cat.

I did inform Liz to let the owners know whether they are willing to put in a doggy door or walk the dog regularly. Liz informed me that the wife works from home and they are going to use WAHG as a veterinarian.

They are adopting a small Jack Russell which is acceptable to me.
