General Report Comments: Hugh and I elani arrived at the property and met with Monique and her daughter.

They have one dog that has a bed inside, with a biwl of food and water in the kitchen. Chloe is in good condition. They have an open pool un yhe backyard which is a concern so I advised Monique to put up a barrier in the meantime until the can get a pool cover. Luckily she stays at home so we told her that she will need to supervise yhe puppy at all times. We also gave tips on how yo potty train him. They might be interested in afopting a cat grom us as well.

Home check passed for cats, small and medium dogs.

To do posthome in a years time.
