VETERINARY PROBLEMS / HEALTH CO	No
CONFINEMENT OF ANIMALS	Free roaming - in property

General Report Comments: Elani and I,Hugh arrived at the property. We were greeted by Ashleigh Styger and we introduced ourselves.She then gave us access to the property and allowed us to do the inspection.

Elani then asked how many animals they have.They then mentioned they have 2 guinea pigs,2 schnauzers and one cat.Elani then informed them that since Zeus is a husky he could be a bit difficult to control when it comes to cats.They agreed but mentioned that they will have him slowly introduced to the rest of the animals.

We then walked through and they showed us the enclosure of the guinea pigs .It was clean and they also mentioned they have a outside area aswell where the guinea pigs can move. We then saw the schnauzers and they mentioned that they are quite calm.They feel Zeus will fit in perfectly and we agreed.We could also see their cat in the distance and it looked in good condition .

They also have a pool but also have a pool cover which was pleasing.They mentioned that they have family close by so Zeus will never be alone.

Overall it was a big warming yard and we feel he will fit in greatly.
Home check approved.

To follow up in a year.
