General Report Comments: I, Elani arrived at the property and met with Ashton. I introduced myself and he showed me the sick dog and said they picked it up as a stray about a week ago and wants to surrender is.

I then saw Bo is on a long static chain because he jumps the walls. He had access to a veranda but not proper shelter protecting him against the elements. I explained how he can build a running chain and adequate shelter.

I issued a warning to:

1) Provide Bo with running chain and adequate shelter as discussed within 7 days.

Ashton signed the warning and signed the sick dog over.

To follow up within a week.
