General Report Comments: I, Elani did a driveby and saw that Bo was on the same long static chain as before without shelter and I couldnt see the water.

As I took a photo and wanted to leave Ashton came outside. I asked him why Bo doesnt have a running chain and he claimed that they cannot find the line anywhere. I then asked about the shelter but then he said it is too hot for a kennel for the dog.

I left and believe we need to apply for a court order as the owners are clearly not serious or compliant.
