General Report Comments: Elani and I,Hugh arrived at the property and Gert's son came outside to greet us. We then introduced ourselves and he allowed us access.

We then went through to see the improvements he had made and we were pleased to be greeted by a well built running chain aswell as a clean waterbowl.

We then asked when the dog was dewormed and he mentioned last month and we gave him deworming pills.

Overall they complied well with our demands.
