General Report Comments: Hugh and I, Elani arrived at the property and met with John. He took us to the backyard where Rex is kept. There was a bowl of water for the dog and he cleaned the backyard a bit.

I then asked about the food and dewormer and he claimed to have gone to the petshop again and got a white dewormr pill from a tub and a bag of dog food. He recoted the things he should not feed his dog correctly.

He also said he is going to sort out the shelter ober the weekend before Tuesday and buy a bag of dog food.

I then decided to give him proper dewormer (Triworm-D) and told him that I want to see a bag of food next Tuesday.

To follow up on everything next Tuesday.
