CHECKLISTS

General Report Comments: Elani and I,Hugh arrived at the property and the owner greeted us. We then explained to him the reason why we were there and he looked confused. We then walked through the yard as he gave us access and he explained to us that we had been there last year in order to pick up his dog.He then explained that he has no other animals and we could see no dogs or cats.

We then left and educated them aswell as gave them pamphlets for our mobile clinic to pass out in the streets.We then left.
