General Report Comments: Hugh and I, Elani arrived at the property and introduced ourselves to Kelly who works/bakes from home.

She allowed us into the property where we saw a small two story flat that was quite cluttered. I noticed that the food bowls of the cats were dirty with old food lying around the bowls. There were also stains on the floor. We went to the backyard where there were lots of plants. Ut was also dirty and old pizza boxes, and dishes were observed.

We observed Goliath but did not see Texi.

I then issued a warning at 15:05 and sent it to Kelly via Whatsapp to:
1) Dirty bowls, dirty floor, rubbish (pizza boxes etc.) and old dishes were observed throughout the propert. Ensure to clean your property thoroughly within 48 hours.

To follow up on cleanliness on Friday.

Home check is pending.
