General Report Comments: Hugh called me, Elani from clinic to assist with children who brought a dog with a broken leg to clinic.

Elani picked the children and dog up from Mobile Clinic and took them home with the dog to speak to his mother about the dog.
I arrived at the property and introduced myself to Nonkuliso. I explained that the puppy's right hind leg is broken. She said her husband pulled the car out and did not see the dog and accidentally drove over it. I explained that the leg needs to be amputated or that they can surrender the puppy to the SPCA as the veterinary costs for this would be a lot.
Nonkuliso agreed to surrender Sheila over to the SPCA.
