CHECKLISTS

General Report Comments: I, Elani arrived at the property and met with Raquel and her mother. I explained that I am looking for puppies and they explained to me that they own 3 dogs. One sterilized female and two unsterilized males. They have no puppies. They then explained to me that someone was there earlier this week to speak to them (Hugh).

I yook down their details and then told them that I will follow up with Hugh to see whether its the right address when he is back
