VETERINARY PROBLEMS / HEALTH CO No
CONFINEMENT OF ANIMALS On running chain Dog jumps fence

General Report Comments: Hugan and I,Hugh arrived at the farm and went to Morne Fransman's residence. We then called outside and one of the tenants were sitting inside of the house and called another tenant who seemingly lived inside the house.He then responded and told us that 'Diego Fransman' was in the bath.

I then introduced myself to the tenant asked the if I could have access to see the runner and he then allowed me inside.I then arrived at the dogs and our demands were met and I was satisfied with the runner he built(see uploaded documents)

Hugan and I,Hugh arrived at the premises of Mr.Pietersen and the yard was filled with people again.We then walked to the side of the house and couldn't see the dog.

We then saw a tenant standing in the doorway of the home .We then introduced ourselves spoke to the tenant and he said that the dog is gone already.When asked what he means he mentioned that they gave the dog away.I then asked whether they gave it to someone,another person responded saying he sold the dog he cannot just give it away in a hostile tone of voice.

We then left but felt suspicious about the whole situation and left.

To do follow up Monday to see whether the dog has been hidden .
