General Report Comments: Elani and I,Hugh arrived at the farm with Stacey. We first went to check up on Bonzo at Denise Beukes house and we were pleased to see that he had been moved when we arrived there. We then called and some tenants then mentioned that she was not there. The yard seemed cleaner than usual and we were pleased. The tenant then offered to show us Bonzo and he was on a runner in the backyard and seemed happier.

We then went to Ashley Beukes house and we waited outside because we could see him coming in the distance. He then arrived and we greeted him and he then offered to show us the runner in his yard aswell as the medication that he got for Stacey. He got some buchu products aswell as dip for the tick problem and we were pleased. We then explained to him that we will come and get Stacey for sterilization.

We will then follow up to pick up Stacey on 3 September 2024 and take her back home on 4 September 2024 as discussed with Ashley Beukes.
