General Report Comments: Hugan and I,Hugh arrived at the property and called from the gate.The owner then came outside. We introduced ourselves and she allowed us inside.

I then took a look at the fencing and noticed that it was not adequate.I then explained that we cannot bring Peanut back unless the fencing is right.She then mentioned she's looking for wire and I asked when she will have everything.She was then very uncertain.

I then asked when is her available days and she mentioned she's at home on Tuesdays,Wednesdays and Fridays.I then gave her our emergency number and mentioned that I'll be back on Tuesday.

I then got back and spoke to Liz and asked her whether Pieter(someone who helped her in the past) is building the fence.She then said no the owner has to build it herself.

To follow up on Tuesday.
