General Report Comments: Elani and I,Hugh arrived at the property and we were greeted by Shadiek Laatoe. We then introduced ourselves and he allowed us access.
He then guided us towards the roof where the cat is in.I then climbed up a ladder and went in the roof.I could see the cat sitting in the corner and as I approached it he then fled through one of the holes in the roof.

We then advised him to call us for a cat trap or he can try luring the cat out with wet food .We then told him to call us if he's in need of a vat trap.
