General Report Comments: Elani and I,Hugh arrived at the property and we spoke to one of the tenants.He then agreed to show us where the dog was.He then gave us access to walk through the neighbours yard.

We could then see Flexi behind one of the informal shacks.Elani then went in behind and put a leash around her neck.She could seemingly get out of the situation but chose not to. We then pulled her out from behind the shacks and she ran back home.
