CHECKLISTS

General Report Comments: Hugh and I, Elani arrived at the property and found a woman named Anneline Cloete at the property . We could see that Mason was moved to another pole in the yard but still on a static chain between the poles. This dog and the one brown and black dog is extremely aggressive. Mason had access to food, shelter and water and they have not yet changed the collar. Annelie told us that Jeremiah only gets paid next Friday.

We then went to the back where Tessa and her puppies are kept. They opened up the kennel and closed off the backyard for Tessa to toam freely in and keep the other dogs out . Ahe also had access to shelter and water.

I issued a warning to Jeremiah to:

1) As discussed with Annelie, as you are getting paid next Friday, ensure to provide Mason with an adequate running chain and adequate running collar within 14 days.

Annelie signed the warning. We gave them a swivel and collar in the meantime so that they would only have to get a thick wire or cable.

To recheck Mason within 2 weeks, 23 December 2024
