Inspector:	ELIZABETH DOWN

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	
Comments:	Mrs le Roux has called, stating that the female dog is pregnant again, al the previous puppies died. The owners are not taking care of the animals, Mrs le Roux is feeding them. She has also been informed that the dogs have worms and now the children have worms as well. She is also goingto call Law Enforcment to remove I am however unsure if they are willing to surrender?
