| Comments:       | Call from Anna Josephs (0722121798), who occasionally helps out RENI, says 9 xcats in her bedroom, only 3 of them are allowed outside and only every second day. The rest, including our 2 adopted cats can not go out at all. All windows are closed perminantly, gets so hot Anna feeds them around 6am when there and already so hot hard to breathe in there, Cats are vomitting and have running tummies. |
