Comments:	I,Hugh arrived at the property and spoke to one of the tenants.I asked her whether they know of any sick cats in the area.She mentioned that they do not have any cats nor do anybody in the area. I then went to the complainant and asked her where the cats were spotted.She then mentioned that I was at the right house but doesn't understand why they did not want to give the cats.I then told her that once one of the residents'boeta Ricky' comes to the shop she can have him bring the cats to them and we will come collect.She then mentioned he has his own vehicle and I told her that he can bring the cats in himself or we'll come collect. To follow up Monday.
