Comments:	Please follow up and speak to Christine re this. I got a call from a woman this morning and explained it was Law Enforcement as all dogs were out side of properties. Goeiemôre, die honde by no 14 het no 13 se hond vanoggend in die jaart v no 14 ingesleep & doodgebyt. Ek het 'n sms gekry dat julle daar was, maar nie vreeslik detail. Hierdie moes nooit gebeur het. En volgende keer word 'n kind verskeur. Ek soek asseblief breedvoerige terugvoer oor wat gedoen was. Groete Christine on 0833243166 Controller Controller 2025-01-30 09:47
